God operates on a DIFFERENT LEVEL than the ways of humankind. Isaiah 55:8-9

Big Thought Daniel 2:1-23

We must recognize & EMBRACE (be ENTWINED in it, be ENVELOPED by it) that God delivers by His wisdom & power.

- God moved on behalf of Daniel in what the leading Babylonian advisors considered an unrealistic ask by the king.

I. DISTRESS Daniel 2:1-9

- Those in the world can be distressed when they look to the FUTURE.

The king refused to tell his dream. His logic was if these wise men were really who they claimed to be they could tell him his DREAM before INTERPRETING it.

II. DISGRACE Daniel 2:10-13

- The ways of this world are INADEQUATE. They are FOOLISH & CONTRARY to the wisdom of God.

III. DISCLOSE Daniel 2:14-23, 29-45

- Daniel LOOK TO God in faith, believing that God would disclose to him the dream & the meaning of that dream. Daniel & his friends sought God in PRAYER.

Two Facets of Prayer

1. Your view of GOD.
2. Your view of the PROBLEM.

Conclusion Daniel 2:19-23

Praise God for His WISDOM & POWER!

THE BIG 3

THREE THINGS YOU NEED TO KNOW

ANOINT

TODAY, immediately following 2nd service, in the Great Room, is our end-of-the-year, all-church meeting. We will review what happened this last year at GracePoint, appoint the Local Board for the next church year, adopt the budget & talk about our vision for what lies ahead for GracePoint. This will be followed by an opportunity to ask questions. This gathering will be an hour long; light refreshments will be served. All are welcome & members are encouraged to attend. We look forward to seeing you all there!
